Our grade school players will be playing for SJR this year. We are working out the details now. All practices and home games will be held at SJR. This will offer our boys and girls in grades 5/6 and 7/8 the option to play on either a region "A" team or a Parish "B" team. SJR's region team tryouts will be held on or about November 1<sup>st</sup>.

**You must be registered with St. Cyril's by  
October 26th if you want to try out for the region team.**

All registered players are guaranteed to play on a team.  
The 3/4 grade program is instructional.

**We will make every effort to keep our parish together on the same team, but we  
cannot guarantee the final rosters.**

***\*\*\*The high school girls' team is in need of players. Practices start in November. The  
season is from December through February. Sign up and have some fun!! \*\*\****
